

# FOOD PANTRIES

Most food pantries are area specific for donations. People can call these numbers and give your address for area specific site locations and times/dates.

- Heart of West Michigan United Way  
Call 211 for your address area locations. Can access 24 hours, 7 days a week.
- Access-All County Churches and Emergency Support System  
Call (616) 774-2175 or (616) 774-2175 ext. 103 Food Pantries in Kent County. Also provides information on clothing pantries.
- Abundant Life Ministries  
(616) 475-0009 or (616) 248-4124  
Distributes food in two programs: Mobile Pantry is bi-monthly food distribution, usually the 2<sup>nd</sup> and 4<sup>th</sup> Friday of the month from 4:30 pm until the food is gone. Emergency Food Pantry is one time per month. Hours are 12-3 pm Tues, Wed & Thurs.

Known previously as the Food Stamp program, it was later renamed as the Supplemental Nutritional Assistance Program (SNAP) in Oct 1, 2008. With this name change, there is also greater emphasis on nutrition and benefit amounts.
